OFFICIAL PLEDGE SHEET

Pet Walk for Autism is a fund-raising effort for the national organization *Today's Hope*. Today's Hope provides access to early intervention services to families of children with Autism Spectrum Disorder (ASD) by directly funding providers of these services. Directly funding these early intervention services enables families the opportunity to build a future for their children by changing the trajectory of lives in a positive and self sustaining manner. Today's Hope will provide $1,000 monthly for a period of 3 years. This money will provide hope for families that would otherwise be unable to afford early intervention for their children with Autism Spectrum Disorder.

Ask your friends and family to sponsor your favorite pet on Saturday April 24th 2010. Bring the family and kids to Lake Sammamish State Park and help to raise funds for children with Autism Spectrum Disorder.
